200 Airport Dr.
Westminster, MD 21157

York County Airport - KUZA
550 Airport Rd.
Rock Hill, SC 29732

The Piper Mirage is the only current production pressurized piston-engine aircraft available today. It leads the piston pack with an impressive 213 ktas cruising speed, as well as the ability to cruise up to 25,000 ft in pressurized comfort. Combining the safety and comfort of cabin pressurization with the economy of a piston-engine, the 6-place Mirage gives you great flexibility when planning your flights.

STANDARD AIRCRAFT (PER SPECIFICATIONS)

Total Time 235 Hours
Annual Due June 2016
Warranty through Dec 4 2016
